

**Transform your living spaces with
stylish and secure
patio doors**

Create your dream home with an in-line sliding patio door

Stylish, strong and energy efficient, our market leading patio doors will introduce a whole new lifestyle option to your home, opening up your room and merging indoor and outdoor spaces.

Picture how your room would look with a stylish patio door letting in the light and enhancing your view.

Imagine your next party or barbecue and how a patio door can add a real sense of vitality to your event by extending your living area into your garden or patio.

With an in-line patio door your room will feel instantly brighter and uplifting, bringing the outside in, creating a whole new living experience. But it's not just the visual appeal that sets our patio doors apart.

Superior Strength

Householders will no longer sacrifice strength and energy efficiency for the largest window in their home, the patio door.

That's why each patio door is manufactured using the highest grade materials and to the finest of tolerances to provide a tight seal that keeps the winter's chill and summer's heat at bay. In short, patio doors you can live with for a long, long time.

Superior Security

Security is a definite priority in the design of our In-line patio doors, and all our doors are fitted with a combination of enhanced lock and security handle that make our fantastic door amongst the most secure available. In fact, our attention to security has ensured that we were the first UK company to achieve the latest BBA (British Board of Agreement) accreditation for our in-line patio doors. A considerable achievement, and one that illustrates our continuing focus on product innovation and excellence.

Choices

Two, three or four pane? Contemporary or modern? White or coloured? Whatever your taste, there are a wide range of options available to enhance any property, adding a real touch of luxury and visual appeal to your home.

Colours available:

White Mahogany Light Oak Rosewood

Hardware colour options:

Chrome Satin Polished Gold Black White

Superior Energy Efficiency

Our exacting manufacturing standards automatically ensure that your patio door is extremely energy efficient but in addition, your chosen installer will be able to provide you with a number of optional glass packages specifically tailored to your house and its environment.

Accessibility

We now offer an aluminium low threshold option on our sliding patio doors. Featuring a ramp on either side of the door, it's an innovation that enables easy access for wheelchair users.

Available in a choice of two colours - silver or gold.
